

Specification Information

Product Code: 316

Product Name: Floor Standing Recycling Station

Individual Carton UPC: 624622316006

Individual Carton Shipping Dimensions: 97.8cm W x 104.1cm H x 38.1cm D (38½" W x 41" H x 15" D)

Individual Carton Shipping Weight: 41.3 kg (91 lbs)

Site Location: Frost's 316 floor standing recycling station allows for flexible mounting locations in areas requiring three streams. Frost's recycling stations are industry standards and can be used in practically any application. Typically, the disposals are used in schools/universities, restaurants, malls, office buildings, condominiums, fitness facilities, and recreation centres. The product's all steel construction, sleek appearance and low maintenance make it a popular choice.

Features:

- Constructed of 18 and 20 gauge Canadian steel
- Comes with Glass, Plastic, Cans, Trash, Cans/Plastic, Glass/Plastic, White Paper Only, Glass/Cans/Plastic, Paper, Trash/Organic and Organic labels in English, French, and Spanish
- Assists commercial and institutional organizations with source separation programs
- Anchors to secure both indoor and outdoor installation as well as adjustable feet allow for easy leveling
- All exterior components are fabricated metal for maximum fire protection
- Three leak proof roto moulded polyethylene liners
- Ergonomic front loading door reduces risk of back injury
- Keyed tumbler lock to prevent unwanted access, one key provided
- Inclined top discourages use as table or chair

Product Weight:

- 39.9 kg (88 lbs)

Maintenance:

Normal preventative maintenance and cleaning will keep Frost products functioning properly and may extend normal product life. Products should be wiped down with a damp soft cloth periodically. Approved stainless steel cleaner may be used to clean scuffs or fingerprints on stainless surfaces. Do not use harsh detergents or chemical cleaners. For general dirt and blemishes on painted steel or plastic use warm water and mild soap, or a general mild cleaning solution. When using any type of cleaning solution, spray onto a discrete area to test before full usage. After the cleaning agent is applied, wipe off with a clean soft cloth or sponge.

Warranty:

If any product or part proves to be defective within 12 months from date of shipment from the factory it will be repaired or replaced without any charge including freight costs when authorized. Costs resulting from the installation or removal of defective products are not covered under this warranty. Discolouration to stainless steel parts resulting from exposure to harsh environmental and / or chemicals are not considered to be defects in workmanship or material and are not covered under warranty.
